Dear Colleague:

The ACGME now asks Directors of Pathology Training Programs to follow the professional development of their graduates. This will provide program directors important feedback on the quality of their training programs and ultimately will benefit our profession.

Resident name is a graduate of the Loma Linda University Program in Anatomic and Clinical Pathology.

It would be of great help if you or an appropriate service chief could respond to the following five questions:

\_\_\_\_\_ is a member in good standing of the Medical Staff:

Yes       No

\_\_\_\_\_ contributes to medical staff activities and fulfills all professional obligations:

Yes       No

\_\_\_\_\_ performance and regard as a consultant in Anatomic and/or Clinical Pathology is:

Unsatisfactory    Satisfactory    Proficient    Outstanding    Other

\_\_\_\_\_ professional knowledge and skills as regarded by his/her colleagues are:

Unsatisfactory    Satisfactory    Proficient    Outstanding    Other

\_\_\_\_\_ if individual carries academic credentials – has advancement been

Unsatisfactory    Satisfactory    Proficient    Outstanding    Other

A return envelope has been provided for your convenience.

Thank you for your cooperation.

Wesley Tait Stevens, M.D.  
Residency Program Director  
Anatomic and Clinical Pathology
