Advanced Specialty Education Program Exit Survey June 30, 2015

Dear Residents,

It's close to the end of your training program and would appreciate your opinions toward the program. This survey will be anonymous so please feel free to let us know your thoughts. Please type your answers and print out. Take to Victoria Quihuis along with your sign out sheet. With your suggestions we can make our program better. Thank you

Dr. Herford

.....

Did you have enough clinical training in oral and maxillofacial surgery during your residency program?

Do you think you had enough clinic time to treat patients and gain clinical experience?

What is your opinion about the rotations: Anesthesia, ENT, General Surgery, Medicine, Plastics?
Any suggestions?

Did you have enough expose to different aspects of oral and maxillofacial surgery? If not what is your suggestion?

What do you think about the didactic course curriculum? (too much, not enough, just right?)

What course do you suggested we remove? Why?

What course should we add more of?

Do you think you were well prepared for the board exam?

Do you think you were well prepared as a OMS resident?

Any suggestions to the OMS Faculty?
