

**LOMA LINDA INLAND EMPIRE CONSORTIUM FOR HEALTHCARE EDUCATION  
(dba LOMA LINDA UNIVERSITY HEALTH EDUCATION CONSORTIUM)  
GRADUATE MEDICAL EDUCATION TRAINING AGREEMENT**

THIS AGREEMENT made and executed at Loma Linda, California, as of **April 1, 2025**, by and between LOMA LINDA UNIVERSITY HEALTH EDUCATION CONSORTIUM (hereinafter "the Consortium"), a not-for-profit religious corporation owned and operated by the Seventh-day Adventist Church, whose principal place of business is 24887 Taylor Street, Suite 202, Loma Linda, California 92354, AND **Jane Smith Doe, MD** Resident/Fellow Physician (hereinafter "Resident"). The Consortium and Resident agree that Resident meets the qualifications for resident eligibility outlined in the Accreditation Council for Graduate Medical Education (ACGME) Common Program Requirements. In addition, the Consortium and the Resident agree:

- 1. CONSORTIUM SPONSORSHIP.** The Consortium sponsors a Graduate Medical Education Training Program in **Program** (hereinafter the "GME Program"). The GME Program may be performed entirely within the facilities owned and operated by Loma Linda University Medical Center or the GME Program may utilize facilities owned and operated by other entities (hereinafter "Affiliated Institutions"), as the GME Program Director deems appropriate for purposes of education and training. The Consortium sponsorship of this GME Program is guided by the regulations of the Medical Board of California (hereinafter "MBC") or the relevant board established by the State of California and by the standards of the relevant accrediting body for the program.
- 2. MISSION STATEMENT.** The Consortium is committed to its mission to continue the healing ministry of Jesus Christ, "To Make Man Whole" in a setting of advancing medical science and to provide a stimulating clinical and research environment for the education of physicians, nurses, and other health professionals. Such commitment is embodied in the CONSORTIUM's Agreements.
- 3. REQUIREMENTS.** Resident certifies that he/she is a graduate of a Medical School approved by the Liaison Council on Medical Education ("LCME") or that he/she has met the requirements established by the MBC for unrestricted participation in a graduate medical education program in the State of California. Resident must pass a background investigation, which includes criminal, Federal, OIG and DMV driver's record, conducted through Human Resource Management and must pass a urine drug screening test and pre-employment physical examination prior to commencing of training. Resident may need to pass a background check and other procedures of affiliated institutions if required to rotate at affiliated institutions. This AGREEMENT shall be null and void unless all credentials and requirements have been met by the time of the effective date of this AGREEMENT.
- 4. AFFILIATED INSTITUTIONS.** Resident acknowledges and agrees that participation in the GME program may require the ability to rotate at affiliated institutions as determined by the Program. Resident further understands that this Agreement is contingent upon the Resident maintaining eligibility to participate in rotations at all affiliated institutions. Affiliated institutions retain the sole discretion to deny or revoke the Resident's ability to rotate at their facilities at any time, for any reason. Such denial or revocation may result in the Resident's inability to fulfill the requirements of the training program, which could lead to termination of this Agreement.
- 5. DURATION of APPOINTMENT.** The Consortium has offered, and the Resident has accepted appointment to a position as a Resident in the GME Program at the **PGY-0** level of training. This appointment shall be for a period beginning **7/1/2025** and ending **6/30/2026**, including call/shift through the following morning. The appointment period may be extended by mutual consent of Resident and the Consortium.
- 6. FINANCIAL SUPPORT.** The Consortium agrees to pay the Resident a rate of **\$00,000.00** per appointment period.
- 7. AGREEMENT DATES.** This agreement applies only for the dates indicated in Paragraph 5 above, subject to the termination clauses contained in paragraphs **31 and 32** and does not imply any type of a guarantee of a position as a Resident for any subsequent year(s) of education and training regardless of the total length of the GME Program to which Resident was appointed.
- 8. CONDITIONS FOR REAPPOINTMENT.** Appointment to an additional year of the GME Program, if any, is accomplished by affirmative recommendation from the specific residency Program Director and concurrence of the Graduate Medical Education Committee (hereinafter "GMEC"). It is the Resident's responsibility to clarify with the Program Director whether the GME Program intends to offer an appointment to Resident for any additional year(s) of Graduate Medical Education training.
- 9. NON-RENEWAL OF APPOINTMENT.** If a decision is made not to renew the Agreement, Resident must be provided with a written notice of intent not to renew the Agreement no later than four months prior to the end of the current Agreement. However, if the primary reason(s) for the nonrenewal occurs within the four months prior to the end of the

Agreement, Resident must be provided with as much written notice of the intent not to renew or of the intent to renew but not to promote to the next level of training as the circumstances reasonably allow prior to the end of the agreement. Resident may implement the GMEC Resident Grievance Policy and Procedure if such notice of intent not to renew the Agreement is received.

**10. RESIDENT'S RESPONSIBILITIES.** Resident must discharge the duties and responsibilities as hereinafter provided as a Resident in the GME Program. The Resident may be assigned additional duties and responsibilities by the Program Director in the GME Program. The duties and responsibilities begin with the first day of this AGREEMENT and must be carried out at Loma Linda University Medical Center and/or Affiliated Institutions which have been approved to participate in the GME Program, as directed.

**11. GENERAL OBLIGATIONS.** Resident must abide by the Consortium policies and procedures, the policies and procedures of the Affiliated Institutions to which Resident may rotate or be assigned, the policies and procedures of the specific GME Program, and the GMEC's rules, regulations, policies and procedures. The GMEC's rules, regulations, policies and procedures are found on the Loma Linda University Health One Portal or the Consortium's GME website. In making this commitment, the Resident understands and agrees that these education and training activities and responsibilities must be carried out in accordance with and subject to the standards of conduct and ethics which are not in conflict with the ethics, principles and philosophy of the Seventh-day Adventist Church.

**12. RESIDENT'S GENERAL OBLIGATIONS.** The position of Resident entails provision of care commensurate with Resident's level of advancement and competence, under the general supervision of appropriately privileged attending Medical Staff members. The Resident expressly agrees to faithfully perform the duties assigned to the best of his/her skill and ability under the general direction of the GMEC and the specific direction of members of the Medical Staff. The Resident acknowledges, understands, and agrees that he/she:

- (M) Moonlighting: Residents are not required to engage in moonlighting; refer to policy GMEC-26 on LLUH One Portal;
- (N) He/She is required to and will complete all medical records accurately, timely, and in accordance with policies of the GMEC and of the respective institutions participating in the GME Program. FAILURE TO COMPLY WITH THIS REQUIREMENT REGARDING MEDICAL RECORD COMPLETION MAY RESULT IN DISCIPLINARY ACTION INCLUDING SUSPENSION FROM THE GME PROGRAM WITHOUT PAY, AND/OR TERMINATION FROM THE GME PROGRAM at the sole and absolute discretion of the GMEC and/or the GME Director;
- (O) He/She must obtain and maintain a current State of California Medical, Dental or Postgraduate Training License within the time frame required by the Consortium and the applicable professional licensing boards of the State of California as outlined in policy GMEC-18, refer to LLUH One Portal. Failure to apply for, obtain, and maintain a California Medical License or California Postgraduate Training License as required by the CONSORTIUM's GME Office and applicable professional licensing board shall result in **TERMINATION FROM THE GME PROGRAM**. This action is based upon state law; therefore, it is not grievable under the GMEC Resident Grievance Policy and Procedure.

**13. USMLE/COMLEX. Resident acknowledges, understands, and agrees that:**

- (A) Residents are required to take and pass USMLE Step 3 or COMLEX-USA Level 3 by the end of the 12th month of

Residency training. CONSORTIUM allows two days off with pay to take USMLE/COMLEX-USA Level 3 for the first time.

(C) PGY-2 Residents (IMG Grads) entering a Consortium training program are required to take and pass USMLE Step 3 or COMLEX-USA Level 3 by the end of their PGY-2 year. Failure to do so will result in NONRENEWAL OF THE TRAINING AGREEMENT.

14. **MEDICAL LICENSE.** Resident acknowledges, understands, and agrees that:

(A) Mere acceptance and/or completion of the GME Program does not in any way guarantee that Resident will receive a license of any kind from any source;

(B) It is his/her sole responsibility to comply with all CONSORTIUM and applicable professional training board licensure requirements; and,

(C) The Consortium is under no obligation whatsoever to assist Resident in obtaining a license of any kind from any source.

(D) Resident agrees to provide GME Office with any necessary information to allow the GME Office to assist with the license application as required.

16. **DRUG-FREE WORKSITE.** Resident's signature affixed to this AGREEMENT certifies that Resident shall not engage in the unlawful manufacture, distribution, dispensation, possession, sale or use of controlled substances, as described in policy GMEC-I-58, while performing services under this AGREEMENT. It is the Resident's responsibility to read, understand and abide by policy GMEC-I-58, refer to LLUH One Portal.

17. **RESIDENT IMPAIRMENT.** Any Resident who believes he/she may be impaired by physical or mental illness, substance abuse or any other impairment should, as a matter of professionalism, seek the assistance of the Resident Well-Being Committee. A Resident who is determined to be impaired during the GME program will be subject to policy GMEC-23, refer to LLUH One Portal. The Consortium is obligated under certain circumstances to report impairment that affects patient safety to the applicable professional training board (e.g. Medical Board of California, Osteopathic Medical Board of California, or Dental Board of California).

19. **VIOLENCE IN THE WORKPLACE.** The CONSORTIUM embraces a **ZERO TOLERANCE** policy for workplace violence. Acts, comments or threats of physical contact and/or violence, including intimidation, harassment and/or coercion, whether of a joking nature or otherwise, which involve or affect CONSORTIUM or any of its staff, employees or visitors, or which occur on LLUMC property or on any Affiliate Institution's property, will not be tolerated. It is the responsibility of Resident to read, understand, and abide by LLUMC's Policy I-71, "Violence in the Workplace", refer to LLUH One Portal.

20. **INTELLECTUAL PROPERTY.**

(A) Resident agrees that all inventions, ideas, concepts, improvements, developments, innovations and works of authorship, whether patentable, copyrightable or not ("Intellectual Property"), made, developed, written or conceived by Resident in the course and scope of Resident's appointment with the CONSORTIUM shall be and remain the sole and exclusive property of the CONSORTIUM or its assignees, as shall the media in which all such Intellectual Property is fixed, including, without limitation, notes, drafts, computer diskettes or tapes and the like. Accordingly, to the extent the CONSORTIUM does not already own all rights by operation of law, and subject to Section 2870 of the California Labor Code (Article 3.5), Resident hereby assigns irrevocably and agrees to assign and also agrees promptly to disclose in writing to the CONSORTIUM, all rights, of whatever type, throughout the world, for as long as such rights shall endure, all Intellectual Property made, conceived or developed by Resident in the course and scope of Resident's appointment with the CONSORTIUM, whether or not made, conceived or developed during regular working hours. To the extent permitted by law, such Intellectual Property shall conclusively be presumed to have been made, conceived or developed in the course and scope of Resident's appointment with the CONSORTIUM and shall be and remain the sole and exclusive property of the CONSORTIUM or its assignees.

(B) To the extent any third party has any ownership, copyright and/or patent interests in Intellectual Property made, developed, written, conceived or perfected by Resident in the course and scope of Resident's appointment with the CONSORTIUM, Resident agrees to disclose in writing any and all such interests in existence as of the date of execution

of this Agreement.

(C) Resident, by signing this Agreement, does not waive any rights under Section 2870 of the California Labor Code Article 3.5.

(D) Resident agrees that, both during and after Resident's appointment, without charge to the CONSORTIUM, Resident will, at the CONSORTIUM's request and expense, assist the CONSORTIUM and/or its assignees in every proper and reasonable way to obtain, preserve, defend and vest, in it or them, title to patent, copyrights or other intellectual property rights on the Intellectual Property in all countries, including but not limited to executing all necessary or desirable documents, such as applications for patents, copyrights or trademarks, and assignments thereof. If the CONSORTIUM is unwilling to pursue title to patent, copyrights or other intellectual property rights, the right to pursue those protections will revert to the Resident.

**21. CONSORTIUM'S GENERAL OBLIGATIONS.** CONSORTIUM agrees to the best of its ability to:

(A) Provide a suitable environment for Graduate Medical Educational experience(s), as determined in the CONSORTIUM's sole and absolute discretion;

(B) Provide and maintain an accredited or otherwise recognized GME Program in the specialty in which Resident is appointed. However, this AGREEMENT may be terminated or suspended by the CONSORTIUM at any time in the event any cause beyond the CONSORTIUM's control, as determined at the sole and absolute discretion of the CONSORTIUM, renders it impracticable for whatever reason, for the CONSORTIUM to continue with the GME Program. This AGREEMENT may also be terminated in the event of termination of the GME Program or in the case of financial exigency as determined by the CONSORTIUM. In such an instance, the CONSORTIUM shall endeavor to use its best efforts to assist the Resident in obtaining comparable alternative training. In addition, the CONSORTIUM will inform the Resident in the event of any adverse accreditation action taken by the ACGME within a reasonable period of time after the CONSORTIUM is notified an action has been taken; and,

**23. PROFESSIONAL LIABILITY COVERAGE.** The CONSORTIUM agrees to provide professional and general liability coverage for the authorized activities of Resident under this AGREEMENT. It is specifically understood and agreed that this coverage **SHALL NOT APPLY** to any unauthorized activity. The professional and general liability coverage is an occurrence plan, thus eliminating the need for "tail coverage". Coverage includes protection against awards from claims reported or filed after completion of the program if the alleged actions are within the scope of the residency program.

**24. PERFORMANCE EVALUATION.** Since the position of Resident involves a combination of supervised, progressively more complex and independent patient evaluation and management functions and formal educational activities, the competence, knowledge, skills, and professional growth of the Resident is evaluated on at least a semi-annual basis. An unsatisfactory evaluation can result in required remedial activities, temporary suspension from duties, or termination from the GME Program. The GME Program maintains a confidential record of the evaluations. The GME Program will provide periodic written evaluation(s) of Resident's performance to the GME Office pursuant to GMEC policy and procedure, to be made a part of Resident's permanent academic record. The Resident may request copies of the academic evaluations from the GME Office during normal business hours with 10 days written notice.

**25. REBUTTAL.** The Resident has the option of rebutting and/or disputing any evaluation(s) in the permanent academic record with which the Resident disagrees. Disputes may be dealt with through the GMEC Resident Grievance Policy and Procedure, refer to LLUH One Portal.

(A) Resident requests in writing to his/her Program Director to be released, and;

(B) The request for release is approved in writing by his/her Program Director, and;

(C) The request for release is approved by the GMEC. The GMEC, in its sole and absolute discretion, shall determine if there is to be a release from this AGREEMENT. If a release is approved, it is understood that such release shall not take place unless and until there is satisfactory completion of all current obligations and responsibilities of the current GME Program by Resident and such completion is affirmed in writing by the Program Director.

**27. COMPLAINTS/DIFFERENCES.** All complaints or differences arising with regard to the services provided hereunder, or the interpretation of the terms of this AGREEMENT, and the Attachments hereto, shall be reviewed, investigated and acted upon by the GMEC and the CONSORTIUM Administration in accordance with such procedures as they shall establish from time to time.

**28. RESIDENCY COMPLETION EXIT PROCEDURES.** On or before the date of completion of residency, or upon termination, resignation, or non-renewal of the Agreement: 1) all CONSORTIUM property issued to the Resident during the GME Program must be returned to the GME Office; 2) Resident must complete all incomplete or delinquent medical

records; and 3) Resident must personally check out with the GME Office PRIOR to departing from the GME Program.

**29. CERTIFICATE OF COMPLETION.** Resident shall be awarded a Certificate of Completion if the required number of years of training in a GME Program has been successfully completed, as applicable. Awarding of a Certificate of Completion is contingent upon the relevant periods of appointment having been completed to the satisfaction of the faculty of the GME Program, the Program Director, and the GMEC. Awarding of such Certificate of Completion will be conditioned upon Resident having, on or before the date of termination of this AGREEMENT, returned all CONSORTIUM property delivered to him/her, completed all patient and other records for which he/she is responsible, and settled all his/her obligations with the GME Program, the GME Office, the CONSORTIUM, and any of its Affiliated Institutions, as appropriate, including those obligations identified in paragraph 28.

**30. RELEASE OF RECORDS.** Resident acknowledges and agrees that the CONSORTIUM may provide copies of, or access to, the Resident's records, including but not limited to evaluations, performance records, procedure logs, and other relevant documentation to licensure boards, credentialing organizations, or other entities as required to verify the Resident's training and qualifications. The CONSORTIUM will comply with applicable laws and regulations governing the confidentiality and release of such records including obtaining necessary consent when necessary. The Resident further consents to the release of these records for the purpose of fulfilling licensure, credentialing, or other legitimate professional requirements.

**31. THIRTY-DAY TERMINATION.** Except as provided in Paragraph 21(B) above, either party may terminate this AGREEMENT prior to its expiration date with thirty (30) days prior written notice. If the CONSORTIUM terminates this AGREEMENT, pay in lieu of thirty (30) days' notice, or any combination of notice and pay, may be utilized at the discretion of the Director of Graduate Medical Education. If such termination takes place at the request of the Resident, it is understood and agreed that the CONSORTIUM must be provided with an opportunity for an "exit interview" with the Resident to discuss any comments, differences of opinions, dissatisfactions, or complaints of the Resident. If such termination occurs at the direction of the CONSORTIUM, the Resident retains the right to utilize the GME Grievance Policy and Procedure.

**32. SUSPENSION/TERMINATION.** This AGREEMENT with Resident may be suspended or terminated by the Program Director, the Director of Graduate Medical Education, the GMEC, or the CONSORTIUM Administration at any time if: 1) it is discovered that material facts presented by Resident at the time of application or re-application are misleading or not true, or 2) Resident's actions and responsibilities are carried out in conflict with the ethics, principles, and/or philosophy of the medical profession as defined by the CONSORTIUM, or 3) Resident's actions and responsibilities are carried out in conflict with the ethics, principles, and/or philosophy of the Seventh-day Adventist Church, or 4) the welfare of any patient may be placed in jeopardy due to any one or more of the following conditions:

- (A) Gross act not commensurate with good medical practice;
- (B) Disciplinary action imposed by the Medical Board of California;
- (C) Resident's conviction or plea of guilty or nolo contendere to a felony or misdemeanor or any crime involving moral turpitude, including but not limited to substance use or abuse;

- (E) Conduct not commensurate with good moral standards including, but not limited to, unprofessional conduct;
- (F) When it is believed Resident's capacity is diminished by use of drugs or alcohol;
- (G) When responsible faculty, in conjunction with the Program Director, and/or the Director of Graduate Medical Education or his/her designee, or the CONSORTIUM Administration, believes that the Resident's effective capacity has been seriously diminished by emotional, mental or physical factors;
- (H) Failure to fulfill residency/fellowship responsibilities;
- (I) Failure to keep charts, records and reports accurate, up to date, and signed at all times;
- (J) Failure to maintain valid Basic Life Support (BLS) certification at all times.

**33. GRIEVANCE PROCEDURES AND DUE PROCESS.** In the event the Resident is suspended or terminated for any reason, or for non-promotion of a resident to the next level of training or other actions that could significantly threaten a resident's intended career development or if any dispute arises concerning Resident's eligibility to receive a Certificate of Completion of Graduate Medical Education (hereinafter "Certificate"), the Resident may exercise any and all due process rights in accordance with the GMEC Resident Grievance Policy and Procedure established by the GMEC and the CONSORTIUM Administration. **THE GMEC RESIDENT GRIEVANCE POLICY AND PROCEDURE MUST BE UTILIZED IF THE RESIDENT WISHES TO CHALLENGE THE DECISION REGARDING SUSPENSION, TERMINATION OR ELIGIBILITY TO RECEIVE THE CERTIFICATE, AND IS A PRE-CONDITION TO SEEKING JUDICIAL RELIEF.** The GMEC Resident Grievance Policy and Procedure GMEC-20 is available on LLUH One Portal. Additional copies may be obtained from the GME Office.

paragraphs 27 through 34 relating to Grievances and Disputes, and, 3) his/her understanding and agreement to participate in any and all procedures established pursuant to paragraphs 27 through 34, including appearance at any interviews, hearings, and/or other proceedings, whether informal or formal, as described in the GMEC Resident Grievance Policy and Procedure referred to in this AGREEMENT.

36. **GOOD FAITH.** The CONSORTIUM and Resident further agree that they have entered into this AGREEMENT in good faith and acknowledge their respective ethical and legal obligations to fulfill such AGREEMENT until its expiration date, except in the cases provided for in paragraphs 21(B), 31 and 32, or in circumstances where Resident is unable to do so because of an incapacitating accident or illness.

37. **ASSIGNMENT.** Nothing in this AGREEMENT shall be construed to permit assignment by Resident of any rights or obligations under this AGREEMENT. Such assignment is expressly prohibited.

38. **CALIFORNIA LAW.** The CONSORTIUM is licensed under the laws of the State of California and most, if not all, of the services to be rendered hereunder shall be performed in California. Accordingly, this AGREEMENT shall be construed and interpreted under and according to the laws of the State of California.

39. **PARTIAL INVALIDITY.** If any provision or part of a provision in this AGREEMENT is determined by a Court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will, nevertheless, continue in full force and effect without being impaired or invalidated in any way.

40. **WAIVER OR FAILURE OF A CONDITION.** Waiver or failure of any condition shall not operate as nor be construed to be a waiver of a subsequent failure of the same or other condition.

41. **COUNTERPARTS.** This AGREEMENT may be executed in counterparts, each of which shall be deemed an original; the counterparts shall together constitute a single AGREEMENT.

42. **HUMAN SERVICES PROVISION.** Pursuant to the requirements of the Health and Human Services Department, until the expiration of four (4) years after the performance of services pursuant to this AGREEMENT, the CONSORTIUM and Resident shall make available, upon written request by the Health and Human Services Secretary, or upon request by the Controller General, or any of the duly authorized representatives, this AGREEMENT, any book(s), document(s) and record(s) of the CONSORTIUM and/or Resident that are necessary to certify the nature and extent of costs pursuant to this AGREEMENT. ATTACHMENT B  
RESIDENT PHYSICIAN BENEFITS

**BENEFITS: The Consortium agrees to provide the following benefits based upon a twelve-month appointment:**

**HEALTH PLAN COVERAGE:**

Residents are eligible to participate in the LOMA LINDA UNIVERSITY HEALTH Wholeness Health Plan or the LOMA LINDA UNIVERSITY HEALTH Base Health Plan (hereinafter "Plans". These Plans offer coverage for inpatient and outpatient medical services, prescription drugs, optical expenses, counseling, psychological and other support services. To maximize coverage under these Plans, participants must obtain non-emergency services from a contracted "preferred provider". Optional dental coverage is also available. Coverage may also be extended to a Resident's spouse and/or dependent children. To participate in the Plans, the Resident, spouse and/or children must enroll within 30 days of eligibility or during the annual open enrollment period and pay a monthly contribution through payroll deduction.

Coverage is effective on the first day of attendance at Orientation, or on the effective date of the training agreement, providing appropriate enrollment forms have been completed within the first 30 days of hire.

The Plan is a self-insured, employer-sponsored health care benefit plan; it is not an insurance program. To receive any coverage under the plan, the Resident must complete and submit an enrollment form **within the first 30 days of hire**. Any changes in family or eligibility status (such as change in marital status, new children, unemployed spouse, etc.) must be reported within 30 days of the change in eligibility status.

Medical and dental coverage is limited to the terms and conditions of the Plan Documents. Residents and their families are eligible during the term of Agreement, but coverage may be extended after the termination of the agreement under the terms of COBRA as described in the Plans. Resident will be responsible for co-payments and all hospital or medical expenses beyond that which is paid by the Plan whether the care is at LLUMC or elsewhere. A detailed description of Plan eligibility, enrollment, coverage, limitations, and exclusions are included in the Plan document found on the LLUH web site. Plan document is available from Risk Management and/or GME Office.

**DISABILITY/LIFE INSURANCE:**

A guaranteed issue, group long-term disability plan and term life insurance plan is provided at CONSORTIUM's expense. Details are available from the GME Office.

**RETIREMENT PLAN:** Two plans are offered to residents and fellows:

2. A TSA-403(b) where the employee may choose to make salary deferrals. Residents are eligible to sign up for the TSA on the 1st of the month following the date of hire. A broad range of investment choices are offered.

**DAYS OFF:**

Residents are to have 4 (four) 24-hour periods (1 day in 7) free of patient care responsibilities each month, averaged over four weeks. During months with legal holidays, i.e. February, May, July, September, and December, Residents will have one additional day off for a total of 5 (five) days off duty. Residents will have a total of 6 (six) days off duty during January and November to account for two legal holidays. Recognized Consortium holidays are paid days off and do not require the use of PTO.
