

Faculty Name:	Erick Imbertson, MD
Bio	<p>Dr. Imbertson is faculty at VA Loma Linda, LLU, Riverside University Health System and UC Riverside school of Medicine. While, he enjoys all aspects of gastroenterology, his true passion lies in therapeutic endoscopy. His goal is to educate and inform patients in order to allow the patient to participate in their care. He provides the most up to date and comprehensive care for his patients. When feasible, he can offer endoscopic alternatives to surgical procedures.</p> <p>In his free time Dr. Imbertson enjoys spending time with his wife and four young children, running, playing sports and travelling.</p>
